

Impact Sports Parent Code of Conduct

Expectations of Parents

Impact Sports believes that parent involvement is essential to the success of the student athlete. We encourage parent involvement regularly by coming to support the team at contests, supporting our coaching staff, and encouragement of our athletes off the court.

Parents will commit to the following:

1. I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game and practice.
2. I will place the emotional and physical well-being of my child ahead of any personal desire to win.
3. I will remember that the game is for YOUTH--not for adults.
4. I will do my very best to make sports fun for my child.
5. I will ask and expect my child to treat other players, coaches, fans, and officials with respect.
6. I will let the coaches coach my athlete. I will not coach from the stands to my child or other team members during a game or practice. Except to offer praise or encouragement.
7. I will let coaches know of any injuries that happen to my child.
8. I will exercise the 24 hour rule when dealing with conflict.

Your involvement is critical in the following ways:

- Dropping off and picking up your child from practices and games on time.
- Positive and encouraging interaction with both your athlete, and his/her teammates. We ask that there be no parent coaching on what the players should or should not do during the game.
- Remember, our coaches are volunteer parents, they need our support and encouragement.
